

Miss Linda Lombardi
New York City

Dear Miss Lombardi,

Your desire to matriculate at the University of Southern North Dakota at Hoople has come to my attention, which is more than you can say for a lot of other things. I must, of course, inform you that the fact that you have a friend who lives across the street from the sometime abode of a professor at the University is no guarantee of admission; I do happen to know, however, that if they can't get ahold of another student soon, the other three are going to drop out. The enclosed form is, I think, self explanatory.

Keep the faith,
